## 1. OPEN GATES

Please leave your gates open when we are scheduled to come by, and ensure that there are no pets in the backyard.

## 2. SPRINKLERS

Make sure that the sprinklers are turned off when we are scheduled to cut your grass, and that they are not protruding from the ground.

## 3. TIDY YARD

Please clean up your yard, including dog waste, branches, children's toys, hoses, and gardening tools.
